## **The UAB Center for Aging New Horizons Award**

This award will be given annually to honor and to recognize a not-for-profit organization that is providing programs or activities that enhance the health or well-being of retired persons in Alabama. It is expected that organizations selected for this award will have a track record of service on behalf of older adults that is illustrated by the activities of New Horizons at UAB, an older adult community of learners, for which the award is named.

New Horizons at UAB is a membership group of men and women of retirement age who wish to keep their minds active through learning and fellowship. Launched in January 1989, it is sponsored by the University of Alabama at Birmingham (UAB) Center for Aging and the Associate Provost for Academic Programs and Policy as a self-governing and member-directed program.

Nominations can be sent to the Director, UAB Center for Aging, CH19 201, 1530 3<sup>rd</sup> Avenue South, Birmingham, AL 35294-2041 or by email to [cfa@aging.uab.edu](mailto:cfa@aging.uab.edu). When making a nomination, provide the name of the organization, contact information for the organization's executive leader or board chair as appropriate, and no more than a one-page, single-spaced description of the organization's past, current, and ongoing activities that would merit selection for the award.
